Jun E. Magbitang

Accounting Manager

Mr. Magbitang is responsible for developing, directing, and implementing all of DRC's financial, accounting, human resources and operations. He is a highly focused and detail-oriented Accounting Manager with over 30 years of hands-on financial and accounting management experience, specifically within the Architectural-Engineering industry. He supports DRC's CEO, Department Leads, and Project Managers with full-cycle accounting and financial reporting, including capital and operating forecasting and budgeting, financial analysis, reviews of all operations, with a focus on providing analytical feedback to various levels of management using advanced computerized databases and applications including Deltek Vision.

His expertise includes analyses of operations, streamlining and improving all systems and procedures. He prepares interim and final financial statements with supporting schedules, for the guidance of CEO, project controls, and operations. Mr. Magbitang reports directly to the CEO and makes recommendations to enhance company's financial position with respect to profits, trends, operations, costs, and compliance with budget and cash management. He supervises all administrative and accounting staff, contract administration, A/R, A/P, internal auditing, project and cost accounting, payroll, project controls and budgetary controls. Mr. Magbitang earned a B.S.C. in Accounting at the Far Eastern University, Manila, Philippines.

"We are very pleased to welcome Jun to the DRC family, his thirty years of accounting and finance experience within the Architectural-Engineering industry, impeccable work ethic, accuracy and attention to detail are a great asset to DRC as we continue to grow within the Southern California Marketplace," said DRC CEO Wanda M. Martinez.
